### Nordstrom

Buy comfortable and attractive shoes and pay for only one pair even though each shoe is a different size. They have stores all over the west and will ship to your home (1-800-285-5800). This policy was established because the original Mrs. Nordstrom had polio.

### SoleMates

SoleMates is an on-line registry where you can find someone with the opposite foot size problem. You can email others and arrange to buy shoes together, or register their own feet and wait for a "SoleMate" to contact them. <http://www.bioped.com/solemates.html>

### The One Shoe Crew

This company matches partners who wear only one shoe. Free to veterans. Other services are available. Call 916-364-SHOE. Write and send a SASE to: The One Shoe Crew; 86 Clavela Avenue; Sacramento CA 95828

### National Odd Shoe Exchange

This service started to service people who survived polio. It provides the "odd" shoe you need in exchange for your "even" shoe. Membership is \$25.00. Write to: National Odd Shoe Exchange; 3200 North Delaware Street; Chandler AZ 85225-1100. 800-843-1964
