RESOURCE MEMO #VE6

Date: November 14, 2005
RE: Home Modification

Below is a list of vendors whom our clients have used to make home (accessible) modifications. Some (*) merely provide equipment for home modifications; others actually do the work. (Consumers are also advised to contact their local carpenters' union and inquire about the possibility of free labor for work such as ramps, etc.) United Cerebral Palsy Association of Greater Indiana does not necessarily endorse any of these vendors and recommends that consumers check references and/or contact their local building inspector for referrals.
